Members of the SPPD Mounted Unit deploy with high visibility leg wraps on their mounts for safety and they recommend that you do the same

#### Safety Lead Ropes

*Regularly \$40 - \$35 with Registration*

Members of the SPPD Mounted Unit deploy with a safety lead rope which attaches to their horse's halter or bridled and then loops over the horse's neck. The device allows the riders quick access to a lead rope to safely control their horse from the ground and replaces the need to search in their bag for a lead rope when they need to dismount.

***My Agreement Regarding My Participation.***

I am 18 years of age and I know that riding a horse involves certain risks and that my participation in the multi-rider Urban Trail Ride being organized by the St. Paul Police K-9 Foundation (operating as the St. Paul Mounted Police Foundation and referred to as the "Foundation") may be a potentially hazardous activity. While members of the St. Paul Police Mounted Unit will accompany participants and efforts will be made to control road traffic, I understand that I and my horse may be exposed to unfamiliar riding conditions and dangers and I should not participate unless I am confident in my riding abilities and in my horse's ability to travel with a group of other horses in an urban environment. I agree to abide by directions given by members of the St. Paul Police Mounted Unit and event officials relative to my and my horse's conduct before, during and after the event. I understand I will be required to wear a helmet during the ride.

I assume all risks associated with participating in this event including, but not limited to; falls, contact with other participants or spectators, the effects of the weather-including heat or high humidity-traffic or the conditions of the road surface, all such risks being known and appreciated by me. For myself and anyone entitled to act for my behalf, I waive and release the Foundation, the St. Paul Police Department, the St. Paul Park Board and all sponsors of the event, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event even though that liability might arise out of negligence or carelessness on the part of the persons named in this waiver.

I consent to and authorize the use and reproduction by the Foundation, or anyone authorized by the Foundation, of any and all photographs and video taken of me or my horse for any purpose whatsoever, without further compensation. Such photographs and videos shall be property of the Foundation.
